SITUATION

Current Situation:	Significant progress towards containment has been achieved in the last twenty-four hours throughout both fire areas. Crews will continue to mop up and patrol the Sulphur Fire with suppression repair expected to begin on Monday. Total changes to the Sulphur Fire have been updated to reflect more accurate mapping. The total acreage of the Redwood Fire continues to present challenges as resources actively mop up and extinguish hotspots around structures, however, the SW perimeter of the fire continues to hold. Evacuation orders are in place for multiple communities within the incident. There are approximately 2,000 evacuees affected by the Redwood Fire.
